MISSIONS MONTH

We have an incredible October planned for you, so wanted to give you the "heads up" to help you plan accordingly. Check out these action packed, interactive opportunities to grow, serve and reach out!

- October 1** Pastor Wayne Richards sharing about "Habitat for Missions" in our ABF/Sunday school hour.
- October 2-6** Pastor Kirk in Guatemala at the Annual Pastor's Congress, helping teach over 150 pastors.
- October 8** Our District Superintendent, Tim Purcell, will bring a special message and facilitate a rededication ceremony of our campus and ministries as a result of our extensive renovations. *Methods* change; *Vision* does not!
- October 14** "Missional Coaching" Workshop with Global Partners staff member, Ian Swyers. For ANY and ALL who are interested in helping us be more intentional about our outreach, and living out what we say we believe through it! 8:30-2:30 with lunch provided. FREE.
- October 15** Ian Swyers will bring the messages, with a "Mission Fest" fundraising meal following the 2nd service (donation basis). Resembling *slightly* an "October Fest," we'll have brats, kraut, ham, salads, desserts, and of course, kegs of rootbeer, crème soda & orange crème! A special guest from *Operation Christmas Child* will be in both services!
- October 22** Membership Class offered for all who'd like to become an even greater part of our mission! (see bigger insert)
- October 29** Andrea Swarthout, missionary to Japan, will share in the ABF/Sunday school hour, and at WKFM!
