Recently my family expanded; we welcomed a furry, fluffy four-legged friend to our home. This is my first experience with a puppy. This is the third dog that I have grown to love, but our first two were dogs that we adopted from a shelter shortly after getting married. We had been married just a few months when we purchased our first home. Unlike my husband, I had not had a dog growing up, but as we were moving our furniture in my husband said, "Now we can get a dog!" So that was our first Christmas present to one another, a one-year-old corgi we adopted. Soon after we brought home a terrier to keep the corgi company. [Read more...](#)
